REPORT

On 1 October 2024, the NSS volunteers of Naipunnnya College conducted a Digital Literacy Programme at Koratty Panchayat, with a special focus on individuals who had limited exposure to modern technology. The initiative aimed to bridge the digital divide and empower local residents with essential digital skills necessary for navigating today's increasingly tech-driven world.

During the session, volunteers provided hands-on training in using smartphones, accessing government portals, making secure online payments, and managing basic online banking services. Participants were also guided on how to use apps for everyday needs such as UPI payments, mobile recharge, booking services, and obtaining e-certificates.

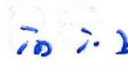

The programme was met with great enthusiasm, especially from elderly participants and homemakers, who found the sessions practical and empowering. Several attendees showed keen interest in deepening their knowledge and even registered for follow-up training sessions. The panchayat authorities appreciated the volunteers' efforts in promoting inclusive digital growth.

This initiative not only boosted the confidence of digitally marginalised individuals but also reflected the NSS's commitment to community development and social upliftment through education and awareness. It was a step forward in building a digitally literate and self-reliant society.
