REPORT

On 10 October 2024, the NSS volunteers of the college played a vital role in supporting the smooth conduct of the College Union Election. Demonstrating a strong sense of responsibility and commitment, the volunteers were actively involved in various stages of the election process. Their duties included assisting with voter registration, managing queues, guiding students to polling booths, and maintaining order and discipline throughout the day. By ensuring that the voting process was carried out in an organised and peaceful manner, the NSS volunteers significantly contributed to the overall efficiency and transparency of the election.

Their presence helped minimise delays and prevent any form of malpractice or confusion, thereby creating a fair and democratic environment for all student voters. The experience proved to be a valuable learning opportunity, providing volunteers with practical knowledge about the functioning of electoral systems and the procedures involved in conducting an election. It also highlighted the importance of active citizenship and responsible voting among youth.

College authorities and faculty members expressed their sincere appreciation for the dedication and discipline shown by the NSS volunteers. Their involvement not only ensured the success of the election but also reinforced the values of democracy, civic responsibility, and student leadership within the campus community.
