Subject: Request for Approval and Support for the 2024 Guernica NSS Arts Festival

Respected Sir,

I am writing to seek your esteemed support and approval for the upcoming 2024 Guernica NSS Arts Festival, organized by Farook Training College under the auspices of Calicut University's NSS wing. Our initiative to celebrate the artistic and cultural expressions of NSS Volunteers began in 2022, with the inaugural Guernica Festival held online from May 15 to 20, engaging nearly 2,000 volunteers in 17 competitive events. The overwhelming response and enthusiasm demonstrated by participants prompted us to transition the festival to an offline format in 2023. The expanded offline edition included 42 diverse events across the domains of arts, literature, social sciences, practical skills, media, and culture, attracting 4,800 registered volunteers over a two-day program in July.

The NSS arts festival has proven to be an invaluable platform, fostering social and cultural competencies among students and encouraging the development of individual skills and artistic values. Through this event, we aim to inspire and support the next generation of youth leaders, providing them with an avenue to express their creativity, energy, and perspectives.

For 2024, we propose to conduct the Guernica NSS Arts Festival on November 22, 23, and 24 at Farook Training College. We respectfully request the support and cooperation of the University NSS Department and other relevant departments to ensure a successful and impactful event. Additionally, we seek permission to levy a registration fee of Rs. 50 per student, which will contribute to covering the operational costs associated with organizing the festival.

Further details regarding the event structure and competition categories are provided in the attached document for your kind perusal. We sincerely hope for your favourable consideration of this request and look forward to your guidance and support in making the 2024 Guernica NSS Arts Festival a resounding success.

Thank you for your attention and anticipated cooperation.

Yours faithfully,

Prof. (Dr.) T. Mohamed Saleem
