REPORT

On 26 January 2025, a Fire and Safety Awareness Session was organised at the Naipunnya College Campus as part of its commitment to promoting safety and preparedness among students. The session was led by Mr. Dileepkumar P. G., Station Officer of the Fire and Rescue Station, Chalakudy, along with his expert team. The event aimed to familiarise students with common fire hazards, essential safety protocols, and effective emergency response strategies.

During the session, students were given detailed insights into the causes of fire accidents, types of fire extinguishers, and the correct methods to use them. A major highlight of the programme was a live demonstration in which the fire and rescue team illustrated how to operate fire extinguishers and safely evacuate a building during an emergency. This hands-on experience equipped the students with the confidence and practical skills required to respond swiftly and efficiently in fire-related situations.

The interactive session encouraged active participation and cleared several myths and misconceptions about fire safety. It proved to be highly informative and impactful, reinforcing the importance of awareness and readiness in crisis situations. The programme successfully instilled a sense of responsibility among the students to act promptly and safely during emergencies.
