Circular

Subject: Outreach Activity- "DiGi Keralam"-The Digital Literacy in Angamali Municipality

We are excited to inform you about an important initiative aimed at enhancing digital literacy and access in our community. As part of the Digi Keralam Survey, students of III semester BCA A and III Semester BSc IT will be actively participating in this project to assess and improve digital resources and skills in Angamali Municipality.

Details of the Outreach Activity:

Objective: The Digi Keralam Survey aims to evaluate the current state of digital literacy and identify areas where improvements are needed. Your involvement will help gather valuable data that will contribute to better digital education and resources.

Scope: The survey will cover various aspects of digital use, including access to technology, digital skills, and online practices.

Date: 23/08/2024

Place: Angamali Municipality

For any inquiries please contact, Ms.Sarithadevi S, Asst.Professor, Department of Computer Science,NIMIT.

Fr. Dr. Paulachan K.J
(Principal)

REPORT

'DiGi Keralam' is a comprehensive digital literacy project, launched by Kerala government with the main objective of equipping the ordinary people of Kerala to use digital technology and tools. We are pleased to share the details of an impactful outreach activity under the 'DiGi Keralam' initiative, focusing on improving digital literacy in Angamali Municipality. As part of this project, III Semester BCA A students conducted survey at many houses at Angamali Municipality. The primary goal is to assess and elevate digital literacy within the community. Students conducted the survey based on a questionnaire given by Digi App. The central aim of the Digi Keralam Survey is to evaluate the current levels of digital literacy among residents of Angamali Municipality. By identifying strengths and gaps in digital skills and resources, the initiative seeks to foster improved digital education and provide more effective resources tailored to the community's needs. The data collected through this survey will play a crucial role in shaping future digital literacy programmes and interventions.

Scope of the Survey

The survey encompassed a broad range of digital aspects, including:

- **Access to Technology:** Evaluating the availability and usage of digital devices and internet connectivity among residents.
- **Digital Skills:** Assessing the proficiency of individuals in using digital tools and applications.
- **Online Practices:** Understanding how residents engage with online platforms, including social media, e-commerce and other digital services.

Details of the Outreach Activity

- **Date:** 23rd August 2024 **Place:** Angamali Municipality

Students visited houses located at Angamali Municipality, conducted survey, engaged with community members and collected data. The activity not only provided practical experience for students but also contributed significantly to the community's digital growth.
