## REPORT

On 08.11.2024, the 3rd Semester BCA (A) students organized an outreach activity by visiting Emmanuel Kripa, a center dedicated to the well-being of elderly individuals in Chalakudy. The program was coordinated by Mr. Abhimanue Ajayan. This visit was part of their outreach initiative aimed at fostering a sense of social responsibility and empathy among the students. The primary objective of the visit was to spend quality time with the elderly residents of Emmanuel Kripa and distribute packed rice to them. This gesture was intended to bring joy and companionship to the elderly, many of whom may not have regular visitors. The students distributed a generous amount of packed rice to the elderly residents.

The distribution was carried out in an organized manner, ensuring that every resident received their share. After the distribution, the students spent time engaging with the elderly residents. They listened to their stories and shared experiences. This interaction was the highlight of the visit, as it brought smiles and laughter to the faces of the residents. The visit was a heartwarming experience for both the students and the elderly. The residents expressed their happiness and gratitude, and it was evident that the presence of young, enthusiastic visitors had a positive impact on their day.
