Date of Event:02/12/2025

Faculty-in-Charge: Ms. Kripa Suresh

REPORT

The Industrial Visit to PDDP was organized on 02nd December for 37 students, accompanied by two faculty members, with the objective of providing practical exposure to industrial practices and enhancing experiential learning beyond the classroom. The visit offered students an opportunity to gain firsthand knowledge of industrial operations, organizational structure, workflow processes, safety standards, and quality control measures adopted by the organization. Industry experts briefed the students on the functioning of various departments and facilitated an interactive session to address students' queries and career-related guidance. The visit effectively bridged the gap between theoretical concepts and real-time applications, enriched students' professional competencies, and aligned with the institution's commitment to outcome-based education and industry-academia interaction.

The officials of PDDP explained the various departments, workflow processes, safety measures, and quality standards followed in the industry. Students were taken on a guided tour of the premises, where they observed the functioning of different units and gained insights into industrial procedures and professional practices.

The interaction session with industry experts allowed students to clarify their doubts and understand career opportunities and skill requirements in the industry. The session was informative and highly beneficial for the students.

The Director,
PDDP, Kalady

Respected Father,

Greetings from Naipunnnya College.

Let me express our sincere thanks to you for all the support and motivation extended to this college.

As discussed, our III B.Com (CA) students will be visiting your esteemed organization on ~~07~~¹⁴ December 2025 between 10.00 am to 11.30 am to have a general understanding of the functioning of the company. There will be 35 students accompanied by Mr. Githin T James and Ms. Kripa Suresh Faculty members of this college.

As you may be aware this visit is a statutory requirement of their academic curriculum. I assure that the students will strictly follow the general rules and conditions of the organization.

I request you to kindly give them necessary assistance and issue a certificate of acknowledgement of the industrial visit.

Thanking you,

Yours faithfully,

Fr. Dr. Paulachan K J
Principal.
