Circular

Subject: Cervical Cancer Awareness Programme

The P.G. Department of Social Work, in association with Little Flower Hospital and Research Centre, is organising a Cervical Cancer Awareness Programme on 20th February 2026 from 1.15 p.m. to 2.15 p.m. at the Main Block Seminar Hall.

The programme aims to create awareness regarding cervical cancer, its prevention, the importance of early detection, screening methods, and HPV vaccination. Expert sessions will be handled by medical professionals from Little Flower Hospital, including Dr. Kochuthresia J. Puthumana, Dr. Vinod Paul, and Dr. Krishnendhu M. S.

The session will be highly informative and interactive, helping participants gain a better understanding of women's health and preventive healthcare practices.

All female students are expected to participate in this awareness programme without fail.

Fr. Dr. Paulachan K.J
(Principal)

REPORT

The P.G department of social work in association with Little Flower Hospital and Research Center, organized an Awareness Programme on Cervical Cancer on 20th February 2026 from 1.15 p.m. to 2.15 p.m. at the Main Block Seminar Hall. The programme was conducted with the objective of creating awareness among faculty members about cervical cancer, its prevention, and the significance of early detection. The session commenced with a prayer, followed by the Welcome Address delivered by Ms. Alpha T. George, First Year MSW student.

The expert talk was delivered by a team of doctors from Little Flower Hospital, including Dr. Kochuthresia J. Puthumana (Consultant Obstetrician & Gynaecologist), Dr. Vinod Paul (Paediatrician), and Dr. Krishnendhu M.S. (Consultant Interventional Radiologist). The speakers provided detailed insights into the causes, symptoms, and risk factors of cervical cancer. They emphasized the importance of regular screening tests, early diagnosis, and HPV vaccination as effective preventive measures. The session also highlighted advancements in modern diagnostic and minimally invasive treatment procedures that ensure better recovery and improved health outcomes.

An interactive question and answer session followed the expert talks, during which participants actively clarified their doubts and gained further understanding of women's health issues. The programme was informative and impactful, successfully reinforcing the importance of preventive healthcare and timely medical intervention. The event concluded with the vote of thanks proposed by Ms. Aiswarya S. Nair, first year MSW student, expressing gratitude to the resource persons and all attendees for their valuable presence and support.
