REPORT

On 27th September 2025, the students of 1st Semester BCA B Batch from Naipunnya Institute of Management and Information Technology, Pongam, visited Divya Karunya Ashram in Kallettumkara as part of their outreach program. Wanting to make a meaningful contribution, the students came together to collect funds and used the amount to purchase grocery items like rice, pulses, oil, sugar, and toiletries. These items were handed over to the institution to support the daily needs of its residents. The initiative, guided by the PG Department of Computer Science, aimed to instill a sense of social responsibility and community care in students.

Beyond the donation, the real highlight of the day was the time spent with the residents. The students sat with them, listened to their stories, and shared laughs and heartfelt moments. They also organized simple cultural activities—songs and games—which brought smiles to many faces. The experience left a lasting impact on everyone involved. It reminded the students of the importance of kindness, empathy, and connection beyond the classroom. It was a truly touching day, and the department looks forward to encouraging more such experiences in the future.
