REPORT

The Leading Hands Program (LHP) of Naipunnya Institute of Management & Information Technology conducted various programmes and training sessions during the academic year 2025–2026 with the aim of developing leadership, communication, teamwork, and interpersonal skills among students. During the academic year, the LHP team consisted of 69 students, including 16 third-year students, 21 second-year students, and 31 first-year students.

The first programme conducted was the LHP Skill Boost Training Session on 20 August 2025 at the MBA Seminar Hall for second-year LHP students. The session was handled by Mr. Abin John from the Department of Training, and 23 students attended the programme. The training focused on communication, coordination, leadership, and teamwork skills. The programme was coordinated by the third-year LHP students.

LHP students actively coordinated and supported various college programmes such as Face to Face, Avani (Onam Celebration), and Takshak – Mega Placement Drive, contributing significantly to the smooth conduct of these events.

The selection process for first-year LHP members was conducted on 08 December 2025 at the MBA Seminar Hall. More than 73 students participated in the selection process, which included a collage-making competition and a self-introduction round. After careful evaluation, 31 students were selected for the programme.

On 17 December 2025, students from Matha Nagar HSS School visited the college for an internship programme. The LHP students showcased their talents and organized a treasure hunt activity for the visiting students, making the programme interactive and enjoyable.

An LHP training session on Body Language and Postures was conducted on 09 January 2026 at the MBA Seminar Hall. The session was handled by Mr. Abin John from the Department of Training, and 43 participants attended the programme. Interactive activities, including the “Human Bridge” game, made the session engaging and informative.

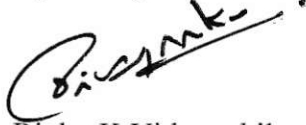

Another training session on Team Building was organized on 13 January 2026 at the MBA Seminar Hall. The session was led by Mr. Johnny from the Department of Training, and 40 students participated in the programme. The event included various team-building activities that helped students improve collaboration, trust, and leadership skills. Joel Joseph of 2nd BCA served as the emcee for the programme.

The first-year LHP students also visited De Paul College on 13 March 2026 to participate in a Leaders’ Conclave, which provided students with exposure to leadership ideas, interaction, and learning opportunities.

On 05 May 2026, all the third-year LHP students were acknowledged and awarded LHP Certificates in recognition of their dedication, leadership, and valuable contributions to the programme throughout their academic journey.

Overall, the programmes conducted under the Leading Hand Program during the academic year 2025–2026 were highly successful and helped students enhance their leadership qualities, communication abilities, teamwork, and personality development skills.
