MULTILINGUAL WEBINAR (MALAYALAM)

REPORT

The Department of Additional Languages organized a Multilingual Webinar in Malayalam, Hindi, and French on 7 March 2026 in the online mode. The programme began with a common inaugural session attended by students and faculty members. The programme started with a prayer by Ms. Margaret. Mr. Robert Fernandez delivered the Presidential Address, highlighting the importance of multilingual learning and encouraging students to develop language skills for global communication and cultural understanding.

The Welcome Address was delivered by Abhishikth (I Year BBA). Dr. Veena Vijaya offered the felicitation and appreciated the initiative of organizing such an academic programme for students. The Guest Introduction was given by Ms. Mary J Rose, who introduced the keynote speakers.

Following the inaugural session, the Malayalam session continued through the same link. The Welcome Address for the Malayalam session was delivered by Ms. Neethu Valsan. The Keynote Address was delivered by Dr. Seena John, Assistant Professor, Mar Athanasius College (Autonomous) Kothamangalam on the topic “ഡിജിറ്റൽ കാലവും കീഴാള ബോധ്യങ്ങളുടെ പുനര്രെഴുത്തും” (The digital age and the rewriting of subaltern beliefs). The talk focused on how the digital age influences the rewriting and reinterpretation of marginalized or subaltern perspectives in contemporary discourse. The session was informative and engaging, and students actively participated in the interaction segment.

The session concluded with the Vote of Thanks by Ms. Rejitha K Ravi, expressing gratitude to the speakers, organizers, and participants. Around sixty students participated in the Malayalam webinar. After the inaugural session, separate links were provided for the Hindi and French sessions. The Hindi session was led by Mr. Ajai Kammath (Asst. Prof., The Cochin College, Kochi), and the French session was handled by Ms. Jeleeta Rose C. N (Asst. Prof. Sacred Heart College, Thevara). Both sessions provided valuable insights into the respective languages and cultures. The webinar concluded successfully with active participation from students and faculty members, promoting multilingual learning and cultural exchange.
